C. Rogers, of Lundbreck, visited Cowley on Monday.

W. Drew, of Coleman, spent a few days in town this week.

We learn the Alberta hotel and furnishings were only partly insured.

The Misses Johnston, of Lundbreck, were in town on Monday.

R. Bowers, of the R.N.W.M.P. of Pincher Creek, spent Monday in town.

It is reported that a butcher store will be built shortly on the old site.

A large congregation attended the Presbyterian Church on Sunday night.

Henry Parker has opened up a meat market just east of the Cowley Hotel.

W. C. Robinson received a shipment of furniture and farm implements Monday.

Mr. Orchard arrived here last week to assume the management of the Union Bank.

A. H. Knight and W. C. Robinson were last week elected school trustees for 1910.

A. W. Grumney and D. Long of Lethbridge, paid a business visit here on Tuesday.

The new Anglican church will be dedicated for public worship on Wednesday the 26th inst.

A quantity of furniture for the new church was landed on Tuesday and is being installed.

A. Fleishman, the well-known jeweller of Vancouver, B.C., was doing the town Tuesday.

A. H. Gunn, who was attending the recent council election, returned to Calgary Wednesday.

Jas. Smith, of Pincher Creek, who had been visiting the Pass towns, spent a few days in Cowley.

The piles of sawdust, around the ice house ruins kept smouldering for several days after the fire.

F. W. Doubt drove to town from Mountain Mill on Saturday, and visited the Pass on Wednesday.

Monday morning's west bound passenger train was very late and did not reach Cowley till 12.15.

The weather of the past week has been very springlike, no snow, light winds and warm sunshine.

H. D. MacMillan, A. H. Knight and H. C. Morrison have been re-elected councillors for the ensuing year.

Work of replacing the side-walks burnt by last week's fire was commenced Monday. About three hundred feet were damaged.

No wonder the people of our northern plains spent a happy Christmas. They will spend a happier one after the North Fork bridge is completed.

Since our last issue we learn that the fire which destroyed the Alberta hotel originated from an overheated stove pipe,

Hustling Town of Lundbreck

A large bell has arrived for the new school and will shortly be placed in position in the tower.

Dr. Warnock, of Pincher Creek, was in town this week and registered at the Windsor.

W. Green intends enlarging his livery stables shortly and will launch out into the business on a larger scale.

T. Madden, proprietor of the Windsor Hotel, purchased a fine young stallion from C. B. Miller this week.

An auction sale of horses and farming implements was held here on Tuesday afternoon by C. C. Miller. Bidding ran high and some excellent stock fetched big prices.

An interesting debate which was well attended took place here on Wednesday night. The subject discussed was "Would parliamentary franchise to women be detrimental to the best interests of the Dominion?"

The renowned (?) Dr. Cook visited Lundbreck last week and has added another page to his book of thrilling experiences. He attended the railway station to meet a lady arriving on the 9.23 train. The chinook was at its height and as the damsel alighted from the car he felt obliged to hold her tightly beneath his wing. When a short distance from the water tank, a squall of unusual force struck Peggy in the "happy widow," carrying her into the air. The doctor, as usual, lost his courage and let the fair one go, but in his way came the cattle guards. On these he bumped and bumped till a final "booster" landed him in the barbed-wire fence, where he suffered loss of flesh and clothing. The lady has not been heard of since, and the war-hide boots bearing the initial "C" is the only remaining trace of the doctor.

PLATFORM EXTENSION

The work of extending the railway platform has at last been commenced. On Friday last a cupboard of timber and other materials were landed on the spot and the driving of the piles the past several days has caused no little rejoicing to those who have been obliged to patronize the railway and have been so long inconvenienced for the want of a suitable stand. Now the C.P.R. men business and a platform is being erected which will be one of the finest along the line and a credit to our town. It is being extended some two hundred feet east of the station and will be about twelve feet in width and an all round substantial structure.

NAVAL SERVICE INTRODUCED

Ottawa, Jan. 12.—In the House this afternoon Laurier introduced a bill entitled, "The Naval Service Act." It provides machinery for the creation of a Canadian navy, which is to be under the control of the minister of marine and fisheries, with command vested in the King or governor-general, his representative. The service is to be used for the defence and protection of Canadian coast and trade and will be engaged as the governor-general-in-council directs.

DIED AT HILLCREST

SOLICITED

I am a young man twenty-nine years of age and rather tall and of good habits. I own several lots and am worth \$3000.00. I would like to correspond with a young lady of twenty years or more. She must be economical and a good cook. Address all replies to box 75, Coleman.

THE HAIR'S FIELD NOO-A-DAYS

O, weel I'm in' whin I wis young,
An' ha'ir's time aye cam' roon',
Th' ha'ir's an' ha'ir's by the an' gav,
Aye I'm the best o' time,
Wi' ha'ir's as light as any hair,
That's the best o' time now,
An' sang as sweet when startin' the
Th' sheavin' o' the corn,
There wis me time the weary then,
Th' days they seem'd na lang,
An' aye I'm the best o' time,
An' I'm the best o' time,
An' though they labored till they saw
Anoth' th' sun's bright rays,
Th' ha'ir's field then wis cheerier
Than th' ha'ir's field noo-a-days,
There wis me time the constant swish
O' the scythe that cut th' grain,
An' th' way th' ha'ir's kept markin' time
Since yot, excelled by none,
An' hizzies baw the th' ha'ir's,
Free as th' summer air,
Aye liltin' at some auld ha'ir's sang,
Wi' neither lilt or care.

Then lassies the th' stoops would be
"Whin denner time cam' roon',
An' ha'ir's would giff weel settled
Till some lad cam' clinkin' down,
There maw a lass wis wood an' won,
I guld auld times like these,
Aye I'm the best o' time then wis cheerier
Than th' ha'ir's field noo-a-days,
But ha'ir's fields noo are past an' gone
As th' ha'ir's ne'er had been,
An' ha'ir's an' ha'ir's places to go
Wi' th' up-to-date machine,
But while I leave (O' days gone by)
I'll sing a sang o' praise,
For th' ha'ir's fields then wis cheerier
Than th' ha'ir's fields noo-a-days.

After the supper a splendid toast list was arranged and the speeches all carried with them the great popularity of Messrs. Livett and Burke. The gathering dispersed after heartily thanking their two genial hosts.

The Best in the West AND THE WEST THE BEST

The greetings are growing long and cold. An easy chair and a paper beside the heater begin to look good. It is time to decide what paper to take; we say papers, for the time is past when the farmer is satisfied with one periodical in his home. Here is an offer that will interest you now, and meet the needs of readers of both sexes, young and old, during the long winter months when the papers have become family friends.

There is the Weekly Free Press and Prairie Farmer with the news of the world and live departments for the farmer, his wife and the young people; The Nor-West Farmer, issued twice a month, the recognized farm paper of the west; The Western Home Monthly, full of bright stories and interesting information for every member of the family.

These three publications, including your own home paper, with all the local happenings, four papers in all for \$3 a year.

Send enclosed the sum of \$3.00 for which send the papers mentioned below to the following address or addresses:—
